

ULTRA RENEW

Laundry Detergent

(Concentrate - No Fillers)

DESCRIPTION:

Ultra Renew is a concentrated, biodegradable, phosphate-free laundry detergent that provides superior cleaning with excellent fabric finish. Its advanced formula is chemically balanced to wash natural, blends, synthetics and fine fabrics. Active ingredients prevent residue or scum build up in the machine.

FEATURES:

- Suitable for 'HE' and standard washing machines
- Good solubility in warm temperatures
- Low sudsing • low foaming
- Brightens colours and whites
- Economical and energy efficient
- Leaves fabrics with a soft texture and finish

DIRECTIONS:

- Directly apply to compartment or wash wheel.
- Pre-test on wool or silk.
- Ideal for use in warm water

APPLICATION RATES:

30ml (1oz) per 10 lbs of garments.

CAUTIONS:

- Keep out of reach of children.
- Store in well-ventilated and dry place away from direct sunlight.
- Avoid skin contact.

Color: White
Fragrance: Odourless
pH: 10.0-10.5
