

CALCIUM • LIME • RUST Buster

DESCRIPTION: Highly effective, industrial strength eco-safe cleaner to remove calcium, lime, mineral deposits and rust stains. As powerful as acid-based cleaners, without the hazards! Effectively and safely removes calcium, lime and mineral deposits, hard water and rust stains. This industrial cleaner contains no abrasives, phosphates, acids, or VOCs (Volatile Organic Compounds).

INSTANTLY REMOVES:

- Calcium and lime deposits found in kettles, urns, coffee pots, glassware, humidifiers/filters, sink/drain/faucet, tubs, shower stalls/curtains, toilets and urinals.
- Rust stains on cement, stucco, porcelain, chrome, and metal - safe to use on metal surfaces

Note: be sure to rinse after use on metal and do not leave on for a long duration.

DIRECTIONS:

Spray directly onto surface and let it stand for a minute or two. Brush or scrub, if necessary, and rinse thoroughly with water. For heavily encrusted surface, allow product to dwell for 10-15 minutes, brush or scrub, and rinse thoroughly with water. Repeat if necessary.

CAUTIONS:

- Keep out of reach of children.
- Store in well-ventillated and dry place away from direct sunlight.
- Do not mix with other chemicals.

Colour: Clear
Fragrance: None
pH: <1
Dilution: RTU
