

Mold & Mildew

Stain Remover

DESCRIPTION:

Effectively cleans and removes mold, mildew, tree sap, dirt, grease, food and drink stains on all fabrics (except wool and silk) and washable surfaces. Biodegradable, gentle on fabrics, colour-safe and does not contain chlorine or bleach.

May be used as a laundry additive (either as powder, or as liquid) to boost cleaning and brightening.

IDEAL FOR USE IN:

- Patio furniture
- Sunbrella & outdoor cushions
- Awnings & canopies
- Tents & pop-up campers
- Fiberglass & vinyl
- Boat seats & canvas
- Tile & grout
- Shower stalls
- Carpeting & mats
- Wood & concrete

DIRECTIONS:

1. Always pre-test compatibility with surface.
2. Mix 30ml/1oz of powder, per 1L/35oz of warm water. Only make amount required for the intended job.
3. Add warm water to powder in a pail, or an open container. Stir thoroughly - do not shake. sponge, brush or spray solution onto surface. Surface should be cool. Allow to stand 5-10 minutes and rinse, or re-apply if required. Heavily soiled areas may require longer soak time. Maintain adequate ventilation in application areas.

CAUTIONS:

- Keep out of reach of children.
- Do not store mixed product - should not be left in a tightly sealed container.
- Do not mix with bleach or any other chemicals.
- Do not use on wool, silk or leather.

Color: White Powder
